FOR IMMEDIATE RELEASE

January 31, 2018

N. Grandview Drive -Town of Whitewater, WI 1-31-18, 8:57AM

At 8:57AM the Whitewater Fire Dept was dispatched to a report of a structure fire. Upon arrival, first responding crews found a 2 story structure with heavy flames on the side and roof of the structure. Crews were unsure if the residence was occupied and made entry into the home in order to conduct a primary search. It was determined shortly after that nobody was home and crews continued extinguishing the fire. It took approximately 45 minutes to get the fire under control. Crews remained on scene for over 2 hours conducting overhaul of the residence. The cause of the fire remains under investigation. Property loss figures were unavailable at the time of this announcement, however the structure was not habitable following the fire.
